Frederick, MD

The Frederick Flying Cows are pleased to announce the re-signing of dynamic forward Kyle Steward for the upcoming TBL season!

Steward has been a powerhouse for the Flying Cows, leading the team in average blocks per game and making a significant impact on the boards, where he ranked among the leaders for both offensive rebounds and total rebounds. With an average of 10 points per game last season, his versatility and skill on the court have been nothing short of impressive.

According to Coach Corporal, "He is the ultimate professional. I'm glad to have him back for year two with the Cows and year three with the TBL."

At 6 '7", Steward brings a remarkable presence to the game, having honed his skills at Youngstown State and the University of Missouri. His blend of experience and talent has not only made him a fan favorite but also a crucial part of the Cows' recent achievements.

"I am glad to be returning to the TBL because the overall community makes it feel like home in Detroit, Michigan," said Steward. "I've played overseas and had opportunities elsewhere, but there's so much love here, and it's a great feeling I couldn't miss out on."

The Flying Cows organization is proud to welcome Steward back into the fold, anticipating another memorable season as they chase the ultimate goal: a championship title!

Steward is currently gearing up to join his teammate Charlie Marquardt in the Basketball Super League (BSL) season, representing the Montreal Tundra; fans can look forward to his return to Frederick once the BSL season wraps up.
