

Flying Cows Dominate Crusaders and Achieve the Season Sweep 127-82

Friday April 4th, 2025
Frederick, MD

The Frederick Flying Cows completed the season sweep over the Connecticut Crusaders in dominant fashion, blowing them out 127-82 to move to 9-0 on the season.

Javon Adams, fresh off earning TBL Player of the Week, was locked in from the opening tip. The high-flying forward notched his third straight 30 point game, scoring 16 in the first half and finishing with efficient touches around the rim. His putbacks and second-chance points gave Frederick an early edge.

Ed Dyson added a steady hand in the backcourt, weaving through traffic keeping the offense flowing. The Cows led 26-24 after the first and never looked back. Denmark Slay, the 26th pick in the 2024 TBL, made solid contributions off the bench with 8 points, 1 assists, and 3 steals, reading passing lanes and making the extra pass when it mattered.

Damien Daniels continues to be a nightmare for opposing guards. The Flying Cows defensive anchor put the clamps on Mikah Johnson, holding him to 0-of-7 shooting from the field and picking up 5 steals in the process. His on-ball pressure set the tone early and helped spark fast breaks that shifted momentum. He also added 20 points, attacking the rim with confidence.

Frederick dominated the glass, winning the rebounding battle 64-34, and controlled the tempo from start to finish. Their ball movement created 38 assists to the crusaders 18, defensive rotations led to 25 points off turnovers, and transition play overwhelmed a Crusaders team that continues to struggle with identity.

Final Score: Flying Cows 127 – Crusaders 82

Chase Daniels tried to get things going for Connecticut, but foul trouble and frustration limited his impact. He ended his day with 17 points and 12 rebounds. The Crusaders drop to 0-8 and are still searching for their first win Sunday April 6th against the Tri State Admirals.

The Cows now shift focus to their biggest test yet: a road matchup against the Virginia Valley Vipers with 10-0 in sight.
